

We have three methods of connection to the Internet at Kempenfelt.

## 1

### DIAL UP ACCESS

- Description:** \*Connect to YOUR ISP via the modem in YOUR COMPUTER using a telephone line
- Availability:** All meeting rooms and bedrooms
- Cost:** \$1.00 local/toll free service charge per call, long distance charges if applicable. No other fees apply.

## 2

### HIGH SPEED ACCESS

- Description:** \* DSL service provided by Bell Sympatico
- Requirements:** Computer with Ethernet (Network) Card
- Availability:** \* All meeting rooms
- Cost:** \* NO charge.

## 3

### WIRELESS ACCESS

- Description:** \* Connect to our Sympatico DSL wireless 2.4 GHz network
- Requirements:** Computer with Wireless Card
- Availability:** \* All areas of all buildings
- Cost:** \* NO charge.

#### Notes:

- \* HIGH SPEED access is wide open; we have not imposed any restrictions
- \* Clients are responsible for setting up their own computer to work on our network
- \* We do not provide on-site technical support
- \* Clients are advised to arrive on-site in plenty of time prior to their session to facilitate testing of their equipment on our network
- \* As a backup, we can provide a fully functional computer or laptop which is already configured on our network for \$100 per day fee.

Prices subject to PST and GST and are subject to change without notice.
